

# MVP Computers Monthly Support Program

From Your Ventura County Computer Solutions Provider

**Keeping your business technology running smoothly just got a whole lot easier.**

**The Problem:** When you call a computer service provider for help, your PC or system is down, and it's a race against time to repair the failed unit. Your business is losing money, and your employees are not as productive. This happens more often than you may realize, and there is an answer to this problem.

**The Solution:** Most IT problems are preventable and can save your company time, money, and inconvenience. Your MVP Computers technician works on a schedule rather than on-call. Remember, preventative maintenance visits are scheduled where "fires" are on a "first come, first served" basis.

**Why choose MVP Computers Monthly Support Program:**

- **Scheduled maintenance when it is convenient for you.**
- **Certified technicians providing emergency on-site and 24/7 telephone support.**
- **LAN/WAN consultation available to aid in your company's IT growth.**
- **In business for over 10 years in Ventura County.**
